

“Hakuba’s No 1 family run Pension”

Situated in Echoland just minutes away from the world famous Happo One, where the 1998 Nagano Olympics were held, the Brownie Villas, Condominium and Meteor Pension are waiting to accommodate you while you experience some of the best snow in the world. These venues are all run by the Fukushima family; Tetsu-san and his wife Midori-san have lived in Hakuba for over 30 years. Tetsu-san’s knowledge of Hakuba and its snowfields are second to none. Your stay is enhanced by local knowledge regarding places to eat, snowfields related to your skill level or the weather or other points of interest you have to see while visiting beautiful Japan. Everything in Echoland is within walking distance and easy to find, the main street is a two minute walk from the Meteor or Brownie. Every night brings a new experience for every traveler; Hakuba is great for families, couples and the young keen powder hounds. Echoland has great restaurants, catering for all tastes, crazy nightlife and of course lots of gift shops for those that couldn’t make it.

“Go there once, experience the people, the food, the snow, the culture and try to not come back....I dare ya.”

Barry Donovan
